

Friday 1st July 2005:

Dentaid Charity Golf Day

Hamptworth Golf Club, near Salisbury, Wiltshire.

Last year 9 teams took part in the inaugural competition with Wessex Nuffield Hospital scooping the coveted first prize of the Golden Molar Trophy! Teams of four with a maximum handicap of 24 (men) and 28 (women) are invited to take part in a most enjoyable event at a beautiful course on the edge of the New Forest.

The day costs £49 per person which includes coffee and bacon roll on arrival, 18 holes of golf and lunch!

Places are limited so please book early to avoid disappointment.

Kodak Dental Systems are once again the generous sponsors for this event.
