

Your chance to grow your business

Trying to maintain profitability in these challenging economic times can be difficult, so the BDTA has devised a package for all the forward thinking labs who are looking to win new clients.

For a reduced price of just over £1000+VAT you can reserve a fully furnished stand at BDTA Dental Showcase 2009 where you will have the chance to see around 5,000 dentists all under one roof. But hurry, there are only four of these special stands remaining.

Exhibiting is a measurable marketing technique and if you're looking to grow your customer base and business it is the ideal promotional tool. What's more, if you attract just a couple of new clients to use your services, you will cover your investment in the stand in the long term.

For further information and to book contact Darran Lacey at the BDTA on 01494 781188 or email darranlacey@bdta.org.uk
