## Have you met your learning needs for core CPD?

For the busy dentist and dental care professional it is often a struggle to fit in time for CPD. This conference is a great way to ensure in a short time you are meeting your requirements for core CPD as set out by the GDC. The programme covers the following subject areas recommended by the GDC –

- Medical emergencies (2 hours)
- Radiography and radiation protection (1 hour)

In addition to providing recommended up dates on –

- Legal and ethical issues (1 hour)
- Handling complaints (1 hour)

Not only will you meet your learning needs you will also have the opportunity to hear and meet a group of the UK's leading experts who will make your learning informative as well as interesting. Even if you have already got your core CPD covered, you will still find the conference a really good way to update your knowledge on these important subjects.

## Who should attend?

The conference should be of interest to the dentist and dental care professionals, others with an interest are welcome to attend.
