

Winners Announced for National Dental Competition - April 23th 2010

Friday 23rd April saw dental practices and their teams from across the UK come together to recognise the high quality clinical care and patient service they provide at the 12th annual Dental Awards.

Taking place at the luxurious Lancaster London Hotel and hosted by comedian Fred MacAulay, the Awards, which included a champagne reception, four-course meal and awards ceremony, welcomed finalists from across the country, including Devon, Sheffield, London, Liverpool and Glasgow. The event, organised to showcase the best that the UK dental profession has to offer, presented winners with a beautiful, specially designed glass trophy that can be displayed in the practice or laboratory for all to see.

Commenting on the event, editor of *The Probe* magazine, organisers of the Awards, and chair of the judging panel, Sophie-Marie Odum, said, “The event was a huge success. I would like to thank those who entered and congratulate all the winners. It’s fantastic.”

The Dental Awards 2010 was organised by Purple Media Solutions Ltd (publishers of *The Probe*, *Smile* and *BDNJ*). The event was sponsored by the British Dental Health Foundation, The Dental Web, Dentsply and The Wrigley Company.
