

Colgate DCP Research Awards in partnership with The Oral & Dental Research Trust

Colgate and The Oral & Dental Research Trust are pleased to invite applications for the Colgate DCP Research Awards for research conducted by Dental Care Professionals (DCP).

Four awards, each to a maximum value of £2,500, will be made on the basis of an application for support of investigations of clinical relevance, particularly in the field of preventive care. Whilst the applicant must be a DCP, it is anticipated that a research team will be formed to include a mentor or supervisor with an established research record.

Applications should consist of no more than two A4 pages summarising the background, aims and methodology of the research proposal and the role to be played by the applicant in the study. The way in which the award will support the investigation must be specified.

Successful applicants will be required to attend the BDA Conference & Exhibition in Liverpool on 20th May 2010 where they will be presented with their awards at a Champagne reception and luncheon held to celebrate their success.

Applications should be sent to:

Dr Margaret Kellett
Honorary Secretary
Oral & Dental Research Trust
c/o Department of Periodontology
Leeds Dental Institute
Clarendon Way
Leeds LS2 9LU

Applications should be received by **Friday 9th April 2010**
